Inside:

## LIRR Oyster Bay Branch Constituent Survey

Dear Neighbor:

Every day, the Long Island Railroad (LIRR) serves thousands of local commuters as they make their way to and from work. As one of the most vital components of Long Island's transportation infrastructure, it is critical to know how people feel about the service they receive and how to improve it.

In this brief survey, I would like to focus specifically on the Oyster Bay Branch. Please take a moment of your time to complete the survey below or online by visiting my website at [www.Marcellino.nysenate.gov](http://www.Marcellino.nysenate.gov), to help determine if there is community support for increased service on the Oyster Bay branch.

Sincerely,

Carl L. Marcellino
